As we close our first quarter, on behalf of the school, I would like to sincerely thank all our parents and guardians for your continued support, patience, cooperation, and trust. Educating our children is truly a partnership, and we are grateful that you continue to walk alongside us.

We know that every school year brings both successes and challenges, and we deeply appreciate your understanding as we continue working to provide the best learning environment possible for our students. Your encouragement at home, communication with our teachers, participation in school activities, and willingness to work with us make a meaningful difference.

Most of all, thank you for entrusting your children to our care each day. We do not take that responsibility lightly. It is a privilege to teach, guide, encourage, and care for them.

On behalf of the entire Koror Elementary School family, thank you from the bottom of our hearts for being our partners in your children's education.

We wish all our students and families a safe and restful intercession break, and we look forward to welcoming everyone back on Monday, October 12, 2026, ready for a wonderful second quarter.

With sincere appreciation and gratitude,
